Waterfront Advisory Committee Plans Open House

Washougal, WA – March 15, 2007 – The Waterfront Advisory Committee of the Port of Camas/Washougal will hold an OPEN HOUSE on Wednesday, March 28, 2007, at the Port's Main Office, 24 South 'A' Street, 5:00 p.m. to 7:30 p.m., for the public to view and comment on the features the Committee has compiled for the proposed waterfront development. These features will be presented on idea boards. The Committee wants to make it clear that the features are ideas of what might be in the development. No decisions have been made on the features or their location. The Committee will take all comments – which will be written down – back to their next WAC meeting on April 11th for consideration. The Committee is looking forward to hearing from the community.
